FROM THE PRINCIPAL MR. FLOTTMEYER

SJS families,

It is hard to believe it is summer. Where does the time go? Thank you SJS families for your dedication, your sacrifice, your prayers, and your great faith! With your support St. John School continues to be a strong Catholic Community that provides a challenging academic program for our students now and into the future.

The 2023-2024 school year was memorable. There were many accomplishments and fun memories. Just a short list... improved STAR scores, positive student behaviors, fun Home & School events, dedicated educational staff, outstanding instrumental programs, enriching field trips, many service hours, participation in extracurricular activities, and many other memorable moments. A special mention to an outstanding 8th grade class! Even though they will be missed, we are excited as the 2024 SJS class moves on to the next phase of their lives.

A few notes as we move into summer:

- Thank you Elizabeth Spidle and Jane Lamers for your dedication! We will miss seeing you on campus. Continued prayers as we wish you the best in your new adventures. Visit (or sub:) anytime!
- SJS is looking to fill two teaching positions for the next school year: 2nd grade teacher and middle school religion.
- I will keep families updated with any changes (including staffing) as they occur over the summer. Look for a letter to families in early August which will contain important information as we move into the new school year.

Once again thank you for your support of St. John School. Please feel free to reach out to the school this summer.

May the Lord give you peace this summer and keep you safe!
Honor God Today and Go Dutchmen!!
