

ST. JOHN NEPOMUCENE

Faith Development & Youth Ministry

September 2024

I hope this message finds you well as we have kicked off the 2024-2025 school year. Welcome our new families that have joined us and welcome back our existing families! I look forward to seeing all of our students on Wednesday nights and Sunday mornings as they bring the energy and eagerness to learn about our faith. Our amazing catechists are excited to provide activities and learning experiences for them throughout the year.

As we move along in the year, I pray for all of our students, families, and catechists for a successful year and seeing the goodness that God brings to us every single day.

May God's Blessings Be with You,

Tyler Stern

Homecoming Mass 2024

On September 28th, over 100 students attending Little Chute High School Homecoming came to Mass to worship to start their evening. This has been one of the beautiful and great traditions we have here at our parish. At the end of the Mass, Msgr. Jim gave the students a special blessing.

Catechist Spotlight - By Kelly Kolosso

How I got involved with the Faith Development Program

When our youngest daughter entered the Faith Development program I was able to volunteer to help and that was three years ago. I have enjoyed following her class through the program and watching her and her classmates grow in their faith.

Why I love being a catechist

I love building relationships with all of the students. They bring so much joy and laughter to our sessions. We have a lot of fun learning about our Catholic faith together.

What other things I do for the parish

I have been a part of the Vacation Bible School program at St. John's the past few years as well. This is one of my favorite weeks of the summer! This program is so well organized and we always have so much fun. I am also part of the Tuesday Morning Bible Study Group. I love getting together with this small group of women once a week to study the bible and learn about ways to deepen my faith.

VBS 2024

Students in Kindergarten through 4th grade attended Vacation Bible School this past July. This year's theme was SCUBA and students learned about diving into a friendship with God. Students were able to make crafts, cool snacks, did experiments, and so much more. The week wrapped up with a performance in front of family & friends. Thank you to all of the volunteers who helped out during the week in making VBS a success!!
