FROM THE PRINCIPAL MR. KAPINOS

It is with great joy and gratitude that I introduce myself as the new principal of St. John Nepomucene Catholic School. I feel truly blessed to become part of this wonderful faith-filled community, where students are encouraged to grow not only in knowledge but also in faith, kindness, and service to others.

As my first week comes to a close, my heart is filled with excitement for the journey ahead. St. John's has a rich tradition of academic excellence and spiritual formation, and I look forward to working alongside our dedicated teachers, staff, and parents to continue that mission. Together, we will help each child discover their unique gifts and grow into the person God created them to be.

I believe that God has a special plan for our school community. With faith, collaboration, and love at the center of all we do, I know that great things lie ahead for St. John Nepomucene.

In the coming weeks, I look forward to getting to know each of you — our students, families, and parish members — and learning what makes this community so special. Together, we will continue to make St. John's a place where faith and learning thrive in harmony.

Thank you for welcoming me so warmly. I am honored to serve as your principal and excited for all that God has in store for us.

Honor God Today and Go Dutchmen!

-Mr. Kyle Kapinos
